AND OF EASEMENTS, RESTRICTIONS, COVENANTS AND CONDITIONS
FOR
STARLITE POINTE CONDOMINIUM**

Starlite Pointe Condominium (the "Condominium") was created by a Declaration, recorded in the office of Register of Deeds for Sauk County on July 27, 1981 as Document No. 446559, as amended on July 27, 1984 as Document No. 468919, as further amended on June 28, 1985 as Document No. 476034, as further amended on July 10, 1989 as Document No. 526634, as further amended on November 1, 2012 as Document No. 1062969, and as further amended on January 12, 2016 as Document No. 1122056 (as amended, the "Declaration").

WITNESSETH:

WHEREAS, the Declaration contains portions which have become obsolete due to changes in the law, the turnover of control from Declarant to Starlite Pointe Owners Association, Inc. (the "Association"), and changes in common practice over the years;

WHEREAS, the Association desires to clarify and update the provisions of this Declaration through this Restatement, so that its covenants, as restated, will continue to run with the land and shall be binding on all subsequent owners and occupants of all or any part of the Condominium; and

WHEREAS, the real property (the "Property") subject to this Declaration is as described on Exhibit A appended hereto, and the addresses of the units that comprise the Condominium are as described on Exhibit B appended hereto;

The Units and their tax parcel identification numbers are also described on Exhibit B attached hereto.

Every deed, lease, mortgage or other instrument may legally describe a Unit by identifying number and every such description shall be good and sufficient for all purposes as provided in the Act.

ARTICLE III COMMON ELEMENTS AND LIMITED COMMON ELEMENTS

Section 1. Ownership of Common Elements: Each Unit Owner shall be entitled to and own an undivided interest in the Common Elements as a tenant-in-common with all other Unit Owners of the property, and, except as otherwise limited in this Declaration, shall have the right to use the Common Elements for all purposes incident to the use and occupancy of such owner's Unit as a place of residence, and such other incidental uses permitted by this Declaration, which right shall be appurtenant to and run with his Unit. Each Unit's percentage of ownership in the Common Elements shall be the Number One (1) divided by the total number of Units subject to this Declaration.

Each Unit's percentage of ownership in the Common Elements shall be subject to such easements including the access easement described in Article XI, Section 1, or that the Association may hereinafter grant to the Village of Lake Delton, public utilities or for water service, all of which may be granted by the Board of Directors without the consent of the Unit Owners.

Section 2. Limited Common Elements:

A. Use and Maintenance: All Limited Common Elements appurtenant to a particular Unit shall be for the exclusive use of the owner or owners of such Unit. Each Unit Owner shall be responsible for repair, maintenance, and appearance of such Limited Common Element, at his own expense, including (without limitation) responsibility for breakage, damage, malfunction, and ordinary wear and tear. A Unit Owner shall not change the color, or otherwise decorate, restructure or adorn or change the appearance of any such Limited Common Element without the approval of the Architectural and Environmental Control Committee.

B. Parking Areas: Any parking area or portion of the property allocated to parking purposes unless otherwise designated in the condominium plat, shall be part of the Common Elements and not a Limited Common Element or a part of any individual Unit.

Driveways shall not be used for any purpose other than for ingress or egress to and from the Unit. Parking or standing in a driveway for more than 30 minutes shall not be permitted.

Unit Owners shall not park, nor shall they permit their families, guests, invitees or tenants to park upon, or block access to the parking areas of other Unit Owners. Improperly parked vehicles shall be subject to removal at the vehicle owner's expense. Additional parking restrictions may be set forth in the Rules and Regulations.

Section 3. No Partition of Common Elements: There shall be no partition of the Common Elements through judicial proceedings or otherwise until this Declaration is terminated and the property is withdrawn from its terms or from the terms of any structure applicable to condominium ownership; provided, however, that if any Unit shall be owned by two or more

co-owners as tenants-in-common or as joint tenants, nothing herein contained shall be deemed to prohibit a voluntary or judicial partition of said Unit ownership as between such co-owners.

ARTICLE IV OTHER PROPERTY RIGHTS AND OBLIGATIONS OF OWNERS

Section 1. Owner's Right to Ingress and Egress and Support: Each owner shall have the right to ingress and egress over, upon and across the Common Elements necessary, or access to a unit, and such rights shall be appurtenant to and pass with the title to each Unit.

However, this right shall not include ingress and egress by any type of vehicle. No vehicles shall be allowed upon the Common Elements except that portion of the Common Elements which have been committed to roadways, driveways, parking areas or access easements as depicted on the Plat. Unit owners or their guests with physical limitations that necessitate special access over the Common Elements with their vehicle may do so, but healthy individuals do not have this privilege.

For the purpose of this paragraph, ingress and egress shall mean the vehicle traversing and remaining on the driveway as depicted on the Plat other than the designated parking area, the parking and traversing of which shall not exceed a period of more than 30 minutes.

Section 2. Use of Units: Each Unit shall be used for residential purposes only, and no trade or business of any kind may be carried on therein. Only long term rentals (as may be defined and set forth in the Bylaws) are allowed. Short term rentals, including rental-by-owner/an entity run by the Unit Owner and those using services such as Air Bnb and VRBO, etc., are strictly prohibited. Should a Unit Owner advertise a Unit as being available for short term rental, such advertising will be considered a violation of this provision.

Section 3. Use of Common Elements and Storage: There shall be no obstruction of the Common Elements, nor shall anything be kept or stored on any part of the Common Elements without the prior written consent of the Association except as specifically provided herein. Nothing shall be altered on, constructed or removed from the Common Elements except upon the written consent of the Association. No boathouses, garbage or rubbish containers shall be placed or kept in or on the Common Elements by any Unit Owner. The Association may, at its own expense, provide for docks, piers, and garbage containers on the Common Areas. Items such as Unit Owner wave runners, snowmobiles, and boat lifts, and Association piers and rafts will be allowed to be stored in Association designated locations, between specified dates with the before mentioned written consent of the Board of Directors.

Section 4. Prohibition of Damage and Certain Activities: Nothing shall be done or kept in any Unit or in the Common Elements or any part thereof to increase the rate of insurance, on the premises or any part thereof over what the Association, but for such activity, would pay, without the prior written consent of the Association. Nothing shall be done or kept in any Unit or in the Common Elements or any part thereof, which would be in violation of any statute, rule, ordinance, regulation, permit or other validly imposed requirement of any governmental body. No damage to, or waste of, the Common Elements or any part thereof shall be committed by any Owner or any invitee of any Owner and each Owner shall indemnify and hold the Association and

the other Owners harmless against all loss resulting from any such damage or waste caused by him or his invitees, to the Association or other Owners. No noxious, destructive or offensive activity shall be carried on in any Unit or in the Common Elements or any part thereof. Nor shall anything be done therein which may be or may become an annoyance or nuisance to any other Owner or to any other person at any time lawfully residing in the Unit.

Section 5. Animals: Animals shall be permitted subject to the Rules and Regulations.

Section 6. Rules and Regulations: No Owners shall violate the rules and regulations for the use of the Units and of the Common Elements as adopted from time to time by the Association, by and through its Board of Directors. Unit Owners may overturn, amend, or repeal any Rule set by the Board of Directors at an Owners' meeting by an affirmative vote of a majority of the owners.

Section 7. Delegation of Use: Any Owner may delegate, in accordance with the By-Laws or this Declaration, his right of enjoyment to the Common Elements and facilities to the members of his family, to the allowed tenants of his Unit, Guests (as defined in Article I above) or contract purchasers of his Unit who reside on the property and only to said individuals.

Section 8. Separate Mortgages of Units: Each Unit Owner shall have the right to mortgage or encumber his own respective Unit, together with his respective ownership interest in the Common Elements.

No Unit Owner shall have the right or authority to mortgage or otherwise encumber in any manner whatsoever the property of any part thereof, except his own Unit and his own respective ownership interest in the Common Elements.

Section 9. Separate Real Estate Taxes: It is intended and understood that real estate taxes are to be separately taxed to each Unit Owner for his Unit and his corresponding percentage of ownership in the Common Elements, as provided in the Act. In the event that, for any year, such taxes are not separately taxed to each Unit Owner, but are taxed on the property as a whole, then each Unit Owner shall pay his proportionate share thereof, the allocation in respect to Common Elements to be in accordance with his respective percentage of ownership interest in the Common Elements.

Section 10. Maintenance and Repairs of Units and Limited Common Elements: Each unit owner shall be responsible for keeping the interior of his unit and all of its equipment, fixtures and appurtenances in good order, condition and repair and in a clean and sanitary condition, and shall be responsible for decorating, painting and varnishing which may at any time be necessary to maintain the good appearance and condition of his unit. Without in any way limiting the foregoing, in addition to decorating and keeping the interior of the unit in good repair, each unit owner shall be responsible for the maintenance, repair or replacement of any plumbing fixtures, water heaters, furnaces, drywall, all wall finishes (e.g. paneling and other finishes) doors and windows (including replacement of broken glass), screens and screening, lighting fixtures, refrigerators, heating and air conditioning equipment, dishwashers, disposals, laundry equipment such as washers and dryers, ranges or other equipment which may be in, or connect with, the unit. Each unit owner shall keep the limited common elements appurtenant to his unit in good, clean,

sanitary and attractive condition, and in good repair, consistent with Article III, Section 2(A) above.

Section 11. Water Service: There is a water supply and distribution system and service for all of the Units. Units are separately metered and the water meter is a part of the defined Unit. It shall be the responsibility of the Association to maintain, repair and replace the water supply and distribution system or systems except that portion of the system or systems located within the Unit boundaries or within the Limited Common Element appurtenant to each Unit, the responsibility for which will be that of the Unit Owner.

Section 12. Right of Entry: In addition to the rights set forth in Section 703.32(4) of the Act, a right of entry to each Unit is reserved to the Association and its agents to service utility installations, including the right to install, lay, maintain, repair and replace wells, water mains and pipes, sewer lines, septic systems, gas mains, telephone wires and equipment, master television antenna system wires and equipment, cable television wires and equipment, internet wires and equipment or wireless equipment, electrical conduit wires and equipment, including power transformers, over, under, along and on any part of the Units, buildings, Common Elements and Limited Common Elements, to service the Condominium, provided request for entry is made in advance and at a convenient time for the Owner. In case of emergency, entry of a Unit may be made immediately, whether the Owner or Occupant of the Unit is or is not present and without liability to the Association or its agents. Any damage or loss caused as a result of such emergency entry shall be at the sole expense of the Owner if in the reasonable judgment of those authorizing the entry, such entry was for emergency purposes. Additionally, an irrevocable right and easement is hereby granted and declared for the benefit of the Association to enter Units and to make repairs to Common Elements, Limited Common Elements, and/or the Unit when repairs reasonably appear necessary for public safety or to prevent damage to other portions of the Condominium. Except in cases involving manifest danger to public safety or Property, the Association shall make a reasonable effort to give notice to the Unit Owner of the need for entry and for the purpose of any repairs.

ARTICLE V ASSOCIATION MEMBERSHIP AND VOTING RIGHTS

Section 1. Membership: Every Unit Owner shall be entitled and required to be a member of the Association. If title to a Unit is held by more than one person, each of such persons shall be members. A Unit Owner of more than one. Unit shall be entitled to one membership for each Unit owned by him. Each such membership shall be appurtenant to the Unit upon which it is based, and shall be transferred automatically by conveyance of that Unit. No person or entity other than a Unit Owner may be a member of the Association, and a membership in the Association may not be transferred except in connection with the transfer of title to a Unit; provided, however, that the rights of voting may be assigned to a Mortgagee as further security for a loan secured by a lien on a Unit.

Section 2. Voting Rights: All Unit Owners shall have one (1) vote for each Unit owned. When more than one person holds an interest in any Unit, all such persons shall be members. The vote for such Unit shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Unit. There can be no split vote.

Prior to the time of any meeting at which a vote is to be taken, each co-owner shall file the name of the voting co-owner with the Secretary of the Association in order to be entitled to a vote at such meeting, unless such co-owners have filed a general voting authority with the Secretary applicable to all votes until rescinded.

A Unit Owner against whom the Association has recorded a statement of condominium lien on the person's Unit who has not paid the amount necessary to release the lien at the time of a meeting shall not be permitted to vote at any meeting of the Association during the period of such time such amount remains unpaid.

Section 3. Supplement: The provisions of this Article are to be supplemented by the Articles of Incorporation and the By-Laws of the Association, provided, however, that no such supplement shall substantially alter or amend any of the rights or obligations of the Owners set forth herein.

Section 4. Proxy Voting: Proxy voting is allowed as detailed in the Bylaws.

ARTICLE VI RIGHTS AND OBLIGATIONS OF THE ASSOCIATION

Section 1. The Common Elements: The Association, subject to the rights of the Unit Owners set forth in this Declaration, shall be responsible for the exclusive management and control of the Common Elements and all improvements thereon (including furnishings and equipment related thereto), and shall keep the same in good, clean, attractive and sanitary condition, order and repair. Without in any way limiting the foregoing, this shall include all painting, repair and maintenance of building exteriors, walls and roofs, maintenance and repair of septic systems and sewer disposal lines, wells and water distribution systems, walks, drives and access roads, and maintenance and repair of all land-scaping and recreational areas.

Section 3. Personal Property For Common Use: The Association may acquire and hold for the use and benefit of all of the Unit Owners, tangible and intangible personal property and may dispose of the same by sale or otherwise, and the beneficial interest in any such property shall be deemed to be owned by the Unit Owners in the same proportion as their respective interests in the Common Elements. Such interest shall not be transferable except with the transfer of a Unit. A transfer of a Unit shall transfer to the transferee ownership in the transferor's beneficial interest in such property without any reference thereto. The transfer of title to a Unit under foreclosure shall entitle the purchaser to the interest in such personal property associated with the foreclosed Unit.

Section 4. Rules and Regulations: The Association, by and through the Board of Directors, may make reasonable rules and regulations governing the use of the Units and of the Common Elements, which rules and regulations shall be consistent with the rights and duties established in this Declaration. Unit Owners may overturn, amend, or repeal any Rule set by the Board of Directors at an Owners' meeting by an affirmative vote of a majority of the owners).

Section 5. Section 6. Piers Beach: The piers and the beach are Common Elements. The Association Board will manage all operations of the piers, to include the placement and storage of Unit Owner's boat hoists.

ARTICLE VII COVENANT FOR ASSESSMENTS

Section 1. Agreement to Pay Assessment: Each Owner of any Unit by the acceptance of a deed therefor, whether or not it be so expressed in the deed, shall be deemed to covenant and agree with each other and with the Association to pay to the Association for the purposes provided in this Declaration, for the annual assessments, for special assessments, for capital improvements, and for any other matters as provided in this Declaration. Such Assessments shall be fixed, established and collected from time to time in the manner provided in this Article.

Section 2. Purpose of Assessments: The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of the residents, to pay for the improvement and maintenance of the Common Elements and such emergency repairs as the Association may deem necessary, and to pay for the obligations of the Association under this Declaration.

Section 3. Annual Assessment: The Board of Directors of the Association shall fix the annual assessment upon the basis provided above, provided however, that the annual assessment shall be sufficient to meet the obligations imposed by the Declaration.

Section 4. Special Assessments: In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment for the purpose of defraying, in whole or in part, any deficit and the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Elements including fixtures and personal property related thereto, provided that any such assessment shall have the consent of two-thirds (2/3) of the votes of each Class of voting members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 5. Notice of Meetings: Written notice of any meeting called for the purpose of taking any action authorized under Section 4 shall be sent (by one of the methods set forth in the Bylaws) to all members and any mortgagee who shall request such notice in writing not less than ten (10) days nor more than sixty (60) days in advance of the meeting.

Section 6. Uniform Rate Of Assessment: Both annual and special assessments must be fixed at a uniform rate for all Units and may be collected on a monthly basis.

Section 7. Date of Commencement of Annual Assessments: The annual assessments provided for herein shall commence upon conveyance of a Unit.

The Board of Directors shall fix the amount of the annual assessment against each Unit at least thirty (30) days in advance of each annual assessment. Written notice of the annual assessment shall be sent to every Unit Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Unit have been paid.

Section 8. Effect of Nonpayment of Assessments: Remedies of the Association: Any assessment not paid when due, shall immediately become a personal debt of the Unit Owner and also a lien, as provided in the Act until paid and may upon resolution of the Association bear late fees and interest from the due date at a percentage rate to be set by the Association in the Rules and Regulations. The Association, by its Board of Directors, may revoke a Unit Owner's right to use the Common Element/Condominium amenities while the Unit Owner's account is delinquent. The Association may bring an action at law against the Owner personally obligated to pay the same and/or foreclose the said lien against the property in like manner as a mortgage of real estate. In any such foreclosure, the Owner shall be required to pay assessments as they come due, and any unpaid assessments shall be added to the lien. The Association may bid in the Property at foreclosure sale, and acquire and hold, lease, mortgage and convey the same. If the Association has provided for collection of annual or special assessments in installments, upon default in the payment of any one or more installments, the Association may accelerate payment and declare the entire balance of said assessment due and payable in full.

No Unit Owner may waive or otherwise escape liability for the assessments provided for herein by nonuse of the Common Elements or abandonment of his Unit. A suit to recover a money judgment for unpaid expenses thereunder shall be maintainable without foreclosing or waiving the lien securing the same.

Section 9. Reimbursement of Expenses by Owner Causing the Expense: An Owner(s) is responsible for Association expenses that are incurred as a result of an action by this owner(s). These expenses will be charged back to the owner within 60 days of incurring the expense. The owner(s) must reimburse the Association within 30 days of receiving the invoice.

Should such owner(s) fail to make said reimbursement within said 30-day period, and/or if the Owner carries a delinquent assessment balance, his or her rights to use and enjoyment of the Common Facilities shall be immediately suspended and the Owner shall not be restored to good standing until the expiration of six (6) months following full payment of the applicable reimbursement and the payment of all costs associated with the collection of such reimbursement.

ARTICLE VIII ARCHITECTURAL CONTROL

Section 1. Architectural Control Committee Authority: No exterior additions, enclosures, color changes or other alterations to any building, additional fences, or changes in

existing fences, hedges, walls, walkways and other structures shall be commenced, erected or maintained, until the plans and specifications showing the nature, kind, shape, height, color, materials, location and approximate cost of same shall have been submitted to and approved in writing as in harmony with the external design and location in relation to surrounding buildings in the development by an Architectural Committee composed of the Board of Directors of the Association or its representatives designated by the Board of Directors. In the event said Committee, or its representatives, fails to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, such approval will be deemed to have been given. If no application has been made to the Architectural Committee or its designated representatives, suit to enjoin or remove such additions, enclosures, color changes or other alterations may be instituted at any time. Neither the members of the Architectural Committee nor its designated representatives shall be entitled to compensation to themselves for services performed pursuant to this paragraph, but compensation may be allowed to independent professional advisors retained by the Architectural Committee. Exterior antennas or satellite dishes may be erected on a unit consistent with the Rules and Regulations.

If the Architectural Committee approves the application within the required 30 days, the Architectural Committee or its representatives will submit written approval to the Unit Owner. An existing deck may be screened in the future, subject to the architectural review process set forth above.

ARTICLE IX PARTY WALLS, SHARED MAINTENANCE

Section 1. General Rules of Law to Apply: Each wall which is built as part of the original construction of the buildings and placed on the dividing line between the Units shall constitute a party wall, and, to the extent not inconsistent with the provisions of this Article, the general rule of law regarding party walls and liability for property damage due to negligence or willful acts or omission will apply thereto.

Section 2. Sharing of Repair and Maintenance: The cost of reasonable repair and maintenance of a party wall and/or any shared plumbing, utilities shall be shared by the Unit who makes use of the wall in proportion to such use.

Section 3. Right to Contribution Runs With Land: The right of any Unit Owner to contribution from any other Unit Owner under this Article shall be appurtenant to the land and shall pass to such Unit Owner's successors in title.

ARTICLE X INSURANCE AND RECONSTRUCTION

Section 1. If the cause of the loss originates in more than one Unit or a Unit and the Common Elements, the responsibility for paying the Association's deductible shall be equitably apportioned by the Board in its sole discretion among the Unit(s) and/or Common Elements where the loss originated. .

Section 7. Determination to Reconstruct or Repair: If all or any part of the Common Elements become damaged or are destroyed by any cause, the damaged Common Elements shall be repaired or reconstructed even if the cost of such repair or reconstruction exceeds the available insurance proceeds. Insurance Proceeds and Construction Fund: Insurance proceeds held by the Association as trustee pursuant to Article X, Section 1 shall be disbursed by the Association for the repair or reconstruction of the damaged Common Elements. Unit Owners and Mortgagees shall not be entitled to receive payment of any portion of the insurance proceeds unless there is a surplus of insurance proceeds after the damaged Property has been completely restored or repaired as set forth in Article X, Section 6.

Section 11. Assessments For Deficiencies: If the proceeds of insurance are not sufficient to defray the costs of reconstruction and repair by the Association, a Special Assessment shall be made against the Unit Owners in sufficient amounts to provide funds for the payment of such costs.
